RE: Case 2025-002268

Dear Michael Perna,

The New York State Department of State Notary Public Law gives the NYS Department of State the power to investigate any complaints that have been levied against Notary Publics. After originally closing the complaint you filed against Sean Clancy with a hold. The department reopened the investigation upon discovering the respondent had an active E Notary license 01CL0015399 EXP 11/02/2027. The respondent surrendered their E Notary license equivalent to a revocation in lieu of an administrative hearing, effective on 1/28/2026.

Based on these factors, we are closing our file at this time. We thank you for bringing this matter to our attention.

Sincerely,

Senior Investigator, Enforcement Unit

New York Department of State
